2026 Booklist

Dear Parents and Carers,

Please find attached the Year Level Booklist for 2026. The staff at Mansfield have purposefully created the list based on the developmental level of students in each year level and the equipment needs associated with delivering an engaging curriculum. As such, it is important that all items are purchased **exactly as described on the booklist**.

You will notice that some items purchased for previous years are required again in the upcoming year. These items are listed at the bottom of the booklist page for your ease of reference. These items will **only** need to be purchased if students do not have these items or if they are not in good working order for next year.

Please carefully check the condition of headphones as it will be important for students to have headphones which are in good working order.

The Christian religious instruction text book is included on the booklist. Please note, this purchase is **only** for children who attend Christian religious instruction lessons.

From Prep to Year 2, students are required to bring a library bag to carry library books to and from school. The Mansfield Library Bags are available for purchase from the school's Uniform Shop (located next to the Tuckshop). Refer to the school website for opening hours.

Ordering through Campion is done online. If you choose to order online with Campion, you will be helping the school P & C raise money for our school. Purchased book packs will be delivered to your home at a nominal cost or are available for free pick up at the Campion warehouse. When ordering through Campion, please order all book packs (for all of your children attending Mansfield State School) in one single order so as not to incur multiple shipping fees. *(See ordering sheet for more information on when to purchase booklists to take advantage of this offer).*

Please ensure that you open and check book packs as they arrive so that any errors can be promptly rectified by Campion prior to school returning in 2026.

As every day provides an opportunity for our students to continue to develop into clever, skilled and creative learners, it is essential that all items on the booklist are clearly named and sent to school from the first day ready to be used.

Prep students are required to clearly label their headphones, folders, whiteboard, clip board and books, however there is no necessity to label other stationary items as these will be shared throughout the year.
