### Participate in Transition Opportunities

*Mansfield Minis and Orientation Day*

Our **Mansfield Minis Program** supports both children and parents with the transition into Prep over a two-week period. These morning sessions commence in September. There will be more information to follow.

Our Orientation Day in November is a further opportunity to enable a smooth transition for our incoming Prep students. The morning session allows students to operate in an environment similar to what they can expect on their arrival to 'big school.'

*We can't wait to meet you!*
