

Investing for Success

Under this agreement for 2020 Mansfield State School

\$386,460.00*

This funding will be used to

- Improve writing outcomes for all students.
- Improve numeracy outcome for all students
- Create a culture of creative and critical thinking through inquiry based teaching and learning

Our initiatives include

- Continue the implementation of "6 + 1 Traits" for writing through professional learning, dialogue and coaching.
- Embed the use of feedback as a tool to improve writing outcomes for students.
- Investigate the use on demand writing as a source of data to identify improvement strategies.
- Improve numeracy outcomes for students by developing a positive disposition towards problem solving and investigation of inquiry learning.
- Creating in staff a positive mind set and confidence in teaching numeracy through professional learning.
- Implement the MSS Numeracy Framework with rigour through professional learning, dialogue and coaching.
- Continue the implementation of a school wide culture of inquiry and deep learning.
- Provide mentoring and coaching for staff to implement this culture.
- Embed a culture of Creative and Critical Thinking within school planning and subjects and learning areas.

Our school will improve student outcomes by
